

# Stargazing observing log

| Date | Time | Location | Sky conditions | Object | Instrument | Notes / sketch |
|------|------|----------|----------------|--------|------------|----------------|
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
|      |      |          |                |        |            |                |
